ENROLMENT CONTRACT – ON CAMPUS STUDENTS

- 1 I, am enrolling in the above college and I understand and acknowledge that:
- 2 It is the Student's responsibility to read the College policies and have a thorough understanding of the College rules and procedures, as outlined in the Prospectus and the Policy Folder.
- 3 The student acknowledges his/her responsibility to check the administration Notice Board in the main College building for any important announcements. This should be done on each occasion the student attends the College, since this Board is the main communication link between Administration and the student body.
- 4 When new administrative procedures are initiated, the College will date and post these on the Administration Notice Board for a period of not less than 14 days. Copies to be given to the Principal, College Registrar, Library, Bursar and Enrolment Officer. Since agreement to accept responsibility to remain familiar with current procedures is a condition of entry to the course, administration cannot accept any unfamiliarity with procedures as an excuse for failure to comply with them.
- 5 The final date for enrolment in any year is the 31st of December of the preceding year. Late enrolments and mid-year enrolments may be accepted at the Principal's discretion.
- 6 The enrolment/administration fee as prescribed by the current year fee schedule is payable on enrolment each year.
- 7 All fees paid to the College are not transferable to any other person.
- 8 All fees paid to the College, for subjects covered by this application form, may not be transferred to other subjects after commencement of the course.
- 9 All fees are non-refundable after ten days from the date of this enrolment contract, except where classes start or learning materials are supplied before the end of the ten day period. Enrolments are limited in numbers to ensure high standards and in accepting a student's enrolment, in the event of their non-attendance, another student may have missed out on a placing. Students are expected to be aware of their work and personal commitments before they enrol.
- 10 In the event that a student withdraws from a course due to exceptional circumstances, fees will be charged for subjects commenced at a single subject fee rate. Students are expected to be aware of their work and personal commitments before enrolling and it will be necessary to establish that the cause of withdrawal could not be foreseen prior to enrolment. Refunds for balance of fees after single subject fees have been calculated will not be granted automatically. Exceptional circumstances may include inability to gain a student visa (for overseas students), sudden onset of life-threatening illness, and death of the student. For all other exceptional circumstances, a deferment of studies will be granted.
- 11 All fees paid to the College are credited to the student for completion of the course or courses in which the student is enrolled. Studies for any year may be deferred for one year, or on compassionate or medical grounds this can be increased to a maximum of two years; after this period original monies are taken into consideration but the latest published fee schedule must be paid and the prospective student must re-apply for admission. Fees being paid must be completely up to date before a deferral can be given. The student must state, in writing, the reason(s) for requesting deferment. In no case will more than one deferment be granted.
- 12 SA College of Natural Medicine is committed to the policy that all persons shall have equal access to programs and facilities without regard to age, creed, marital or parental status, race, nationality or ethnic origin, physical handicap, religion, sexual preference or gender.
- 13 The College has the right to use student photographs, testimonials and assignments and research & tutorial questions with due acknowledgement given to the student where possible.
- 14 The College Board reserves the right to make changes to the lecturer, course outline, course times, policies, costs, and any other provisions as, and when this becomes necessary. It is the responsibility of the student to read the College notice-board and be aware of these changes.
- 15 The College reserves the right to cancel or postpone any course should there be insufficient enrolments. All students enrolled will be notified and fees paid will be refunded or credited towards a subsequent or alternative course (student's choice).
- 16 It is College policy to withhold the issuance of qualifications, Statement of Attainments and formal notification of assessment results until all fees are paid and all assessment tasks have been successfully completed.
- 17 I have read the above, and have duly familiarised myself with the College rules and procedures in the Prospectus, the Policy Folder, the current fee schedule, weekly timetable, and year's calendar events.
- 18 I have read and I accept all the conditions as listed above.
