

# ADVANCED DIPLOMA OF APPLIED SCIENCE AND HONOURS COURSES

---

All of these courses may be completed over either (three or) four years. Nested within these courses are Non-Accredited Certificate Awards, and Nationally Accredited Certificate III, Certificate IV and Diploma Awards. You are also able to study specially moulded Double Diplomas, including Naturopathy & Massage, Naturopathy & Herbal Medicine, and Naturopathy & Nutrition; in all cases these Double Diplomas can include the Certificate 4 in Massage Therapy.

## ADVANCED DIPLOMA OF APPLIED SCIENCE (NATUROPATHY)

### YEAR 1

Anatomy & Physiology 1 – 2  
Anatomy & Physiology 3 – 4  
Botany, Plant ID & Taxonomy  
Clinic 1  
Communications  
Ethics & Legal Practice  
Exercise Therapy  
Nutritional Therapies  
Occupational Health & Safety  
Physiological Nutrition  
Research & Referencing Skills  
Traditional Medicine Philosophies  
Work Experience

### YEAR 2

Basic & Advanced Massage  
Classical Massage  
Clinic 2  
Communication & Counselling  
Exercise Therapy  
Herbal First Aid  
Homoeopathic First Aid  
Multicultural Nutrition  
Pathophysiology 1  
Practice Management  
Prescribing OTC Remedies  
Remedy Preparations

### YEAR 3

Energetics of Natural Remedies  
Clinic 3  
Clinic 4  
Clinical skills  
Pathology, Symptomatology & Differential Diagnosis  
Diet Therapy  
Iridology 1  
Iridology 2  
Pathophysiology 2  
Vibrational Therapies

### YEAR 4

Clinic 5  
Clinical Practicum (Prescribing & / or Treatment)  
Herbal Remedies  
Homoeopathic Remedies  
Pathophysiology 3  
Pharmacology

*The Advanced Diploma of Applied Science with Honours courses as offered by the College, are comprised of the Advanced Diploma of Applied Science Courses plus additional non-accredited requirements. Completion of these requirements will result in the graduate being awarded a Nationally Recognised Advanced Diploma of Applied Science qualification, plus an additional industry accredited qualification that is not accredited by the SA Accreditation and Registration Council.*

## ADVANCED DIPLOMA OF APPLIED SCIENCE (NATUROPATHY) HONOURS

### YEAR 1

Anatomy & Physiology 1 - 4  
Botany, Plant ID & Taxonomy  
Clinic 1  
Communications  
Ethics & Legal Practice  
Exercise Therapy  
Homoeopathic Philosophy 1  
Multicultural Nutrition  
Nutritional Therapies  
Occupational Health & Safety  
OTC Products  
Physical Chemistry  
Physiological Nutrition  
Research & Referencing Skills  
Traditional Medicine Philosophies  
Work Experience

### YEAR 2

Applied Anatomy & Physiology 1  
Basic & Advanced Massage  
Biological Chemistry  
Classical Massage  
Clinic 2  
Communication & Counselling  
Energetics of Natural Remedies  
Exercise Therapy  
Herbal First Aid  
Homoeopathic First Aid  
Pathophysiology 1 & 2  
Practice Management  
Prescribing OTC Remedies  
Remedy Preparations  
Vibrational Therapies

### YEAR 3

Biochemical Nutrition (Biochemistry) 1 & 2  
Biochemical Nutrition (Nutrition)  
Clinic 3 & 4  
Clinical skills  
Pathology, Symptomatology & Differential Diagnosis  
Herbal Remedies  
Homoeopathic Remedies  
Pathophysiology 3 (Immunology)  
Infectious Diseases  
Iridology 1 & 2  
Clinical Iris Diagnosis

### YEAR 4

Advanced Clinical Nutrition  
Clinic 5  
Clinical Experience  
Clinical Nutrition  
Clinical Pharmacology 1  
Clinical Pharmacology 2  
Clinical Practicum (Prescribing & / or Treatment)  
Medical Symptomatology & Diagnosis  
Pathology

Pathophysiology 3 (Immunology)  
Infectious Diseases  
Sports Massage  
Sports Therapeutics

### YEAR 4

Advanced Sports Massage  
Advanced Sports Therapeutics  
Clinic 5  
Clinical Pharmacology 1  
Clinical Pharmacology 2  
Clinical Practicum (Prescribing & / or Treatment)  
Medical Symptomatology & Diagnosis  
Pathology  
RT Elective

# ADVANCED DIPLOMA OF APPLIED SCIENCE AND HONOURS COURSES – PAGE 10

---

## ADVANCED DIPLOMA OF APPLIED SCIENCE (WESTERN REMEDIAL THERAPIES)

### YEAR 1

Advanced Massage  
Anatomy & Physiology 1 – 4  
Applied Anatomy & Physiology 1  
Basic Massage  
Classical Massage  
Communications  
Ethics & Legal Practice  
Exercise Therapy  
Occupational Health & Safety  
Research & Referencing Skills  
RT Clinic 1  
RT Clinic 2  
Traditional Medicine Philosophies  
Work Experience

### YEAR 2

Applied Anatomy & Physiology 2  
Communication & Counselling  
Exercise Therapy  
Pathophysiology 1  
Practice Management  
RT Clinic 3  
RT Clinic 4  
RT Elective 1  
RT Elective 2

### YEAR 3

Clinical skills  
Pathology, Symptomatology & Differential Diagnosis  
Pathophysiology 2  
RT Clinic 5  
RT Clinic 6  
RT Elective 3  
RT Elective 4  
RT Elective 5  
RT Elective 6

### YEAR 4

Clinical Practicum (Prescribing & / or Treatment)  
Pathophysiology 3  
Pharmacology  
RT Clinic 7  
RT Elective 7  
RT Elective 8

*The Advanced Diploma of Applied Science with Honours courses as offered by the College, are comprised of the **Advanced Diploma of Applied Science Courses plus additional non-accredited requirements. Completion of these requirements will result in the graduate being awarded a Nationally Recognised Advanced Diploma of Applied Science qualification, plus an additional industry accredited qualification that is not accredited by the SA Accreditation and Registration Council.***

## ADVANCED DIPLOMA OF APPLIED SCIENCE (WESTERN REMEDIAL THERAPIES) HONOURS

### YEAR 1

Anatomy & Physiology 1 - 4  
Applied Anatomy & Physiology 1  
Basic & Advanced Massage  
Classical Massage  
Clinic 1  
Communications  
Ethics & Legal Practice  
Exercise Therapy  
Multicultural Nutrition  
Occupational Health & Safety  
OTC Products  
Physical Chemistry  
Physiological Nutrition  
Research & Referencing Skills  
Traditional Medicine Philosophies  
Work Experience

### YEAR 2
