

DIPLOMA COURSES

These courses may be completed over (either two or) three years. Nested within these courses are Non-Accredited Certificate Awards, and Nationally Accredited Certificate III and Certificate IV Awards. You are also able to study specially moulded Double Diplomas, which can include these courses.

DIPLOMA OF BIOENERGETIC THERAPIES

YEAR 1

Anatomy & Physiology 1 – 2
Anatomy & Physiology 3 – 4
Clinic 1
Communications
Ethics & Legal Practice
Exercise Therapy
Herbal First Aid
Occupational Health & Safety
Physiological Nutrition
Remedy Preparations
Research & Referencing Skills
Traditional Medicine Philosophies
Work Experience

YEAR 2

Bioenergetic Philosophy
Bioenergetic Principles of Practice
Clinic 2
Communication & Counselling
Elective
Exercise Therapy
Multicultural Nutrition
Nutritional Therapies
Pathophysiology 1
Practice Management

YEAR 3

Bioenergetic Practice
Clinic 3
Clinic 4
Clinical skills
Pathology, Symptomatology & Differential
Diagnosis
Clinical Bioenergetics
Elective
Pathophysiology 2

DIPLOMA OF HERBAL ALCHEMY

YEAR 1

Anatomy & Physiology 1 – 2
Anatomy & Physiology 3 – 4
Botany, Plant ID & Taxonomy
Clinic 1
Communications
Ethics & Legal Practice
Exercise Therapy
Occupational Health & Safety
Physiological Nutrition
Research & Referencing Skills
Traditional Medicine Philosophies
Work Experience

YEAR 2

Botany, Plant ID & Taxonomy
Botany & Taxonomy
Clinic 2
Communication & Counselling
Exercise Therapy
Herbal First Aid
Multicultural Nutrition
Nutritional Therapies
Pathophysiology 1
Practice and Art of Spagyria
Practice Management
Remedy Preparations
Spagyric Dispensing & Preparations

YEAR 3

Clinic 3
Clinic 4
Clinical skills
Pathology, Symptomatology & Differential
Diagnosis
Herbal Alchemy Practice
Herbal Materia Medica 2
Herbal Therapeutics
Pathophysiology 2
Philosophy of Herbal Alchemy

DIPLOMA COURSES – PAGE 2

DIPLOMA OF IRIDOLOGY

YEAR 1

Anatomy & Physiology 1 – 2
Anatomy & Physiology 3 – 4
Clinic 1
Communications
Ethics & Legal Practice
Exercise Therapy
Herbal First Aid
Occupational Health & Safety
Physiological Nutrition
Remedy Preparations
Research & Referencing Skills
Traditional Medicine Philosophies
Work Experience

YEAR 2

Clinic 2
Iris Diagnosis 1
Communication & Counselling
Elective
Exercise Therapy
Homoeopathic First Aid
Iridology 1
Iridology 2
Multicultural Nutrition
Nutritional Therapies
Pathophysiology 1
Practice Management
Prescribing OTC Remedies

YEAR 3

Clinic 3
Clinical Iris Diagnosis
Iris Microscopy
Vibrational Therapies
Energetics of Natural Remedies
Pathophysiology 2
Clinic 4
Clinical skills
Pathology, Symptomatology & Differential
Diagnosis

DIPLOMA OF NATURAL ANIMAL CARE

YEAR 1

Botany, Plant ID & Taxonomy
Clinic 1
Communications
Ethics & Legal Practice
Herbal First Aid
Homoeopathic First Aid
Natural Animal Care 1
Occupational Health & Safety
Research & Referencing Skills
Traditional Medicine Philosophies
Work Experience
Zoology / Animal Physiology 1

YEAR 2

Animal Care 2
Animal Care 3
Animal Pathophysiology 1
Clinic 2
Exercise Therapy
Herbal Remedies
Nutritional Therapies
Physiological Nutrition
Prescribing OTC Remedies
Remedy Preparations
Zoology / Animal Physiology 2

YEAR 3

Clinic 3
Communication & Counselling
Animal Pathophysiology 2
Animal Care 4
Clinic 4
Clinical skills
Pathology, Symptomatology & Differential
Diagnosis
Practice Management
